Draft Minutes of the Meeting of the Swanage Town Council held at the Town Hall, High Street, Swanage on MONDAY, 22nd JULY 2024 at 7.00 p.m.

PRESENT:-

Councillor T. Foster – Chairman

Councillor M. Bonfield

Councillor M. Coward

Councillor J. Lejeune

Councillor D. Monkhouse

Councillor C. Moreton

Councillor C. Sutton

Councillor C. Tomes

Councillor W. Trite

In addition to Members of the Council and officers, two members of the public and one representative of the local press and media attended the Meeting.

Public Participation Time

There were no matters raised on this occasion.

Reverend Dave Richards offered a short prayer before the commencement of the Meeting.

The Chairman opened the Council Meeting at 7.10 p.m.

52. **Apologies**

Councillors Dorrington and Vile gave apologies for their inability to attend the meeting and the reasons for their absence had been noted. Councillor Brookes attended the meeting remotely.

53. **Declarations of Interest**

Members were invited to declare their interests and consider any requests for Grants of Dispensations in accordance with Section 9 and Appendix B of the Council's Code of Conduct.

 ${\bf Agenda\ Item\ No.\ 10\ - Councillor\ Bonfield\ declared\ a\ disclosable\ pecuniary}$ interest under the Code of Conduct by reason of being a regular beach hut user.

54. **Minutes**

(a) Proposed by the Town Mayor, seconded by Councillor Moreton and RESOLVED UNANIMOUSLY:-

That the Minutes of the Council Meeting held on 24th June 2024 be approved as a correct record and signed.

55. <u>Environment and Green Spaces Committee</u>

(a) Proposed by Councillor Monkhouse, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That the Minutes of the Environment and Green Spaces Committee Meeting held on 26th June 2024 be approved as a correct record and signed.

Consideration was given to the following recommendation contained in the Minutes:-

12) Review of representatives on the Committee

Proposed by Councillor Monkhouse, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:-

That the Purbeck Energy Group be added to the list of outside representatives in the Terms of Reference for the Environment & Green Spaces Committee.

It was noted that the recommendation set out in Minute No. 7 regarding the Motion for the Ocean is the subject of Agenda Item 9.

56. **Planning and Consultation Committee**

(a) Proposed by Councillor Bonfield, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:-

That the Minutes of the Planning and Consultation Committee Meeting held on 1st July 2024 be approved as a correct record and signed.

57. <u>Tourism and Local Economy Committee</u>

(a) In considering acceptance of the Minutes of the Tourism and Local Economy Committee Meeting held on 3rd July 2024, attention was drawn to the omission of Councillor Moreton's apologies in the minutes. Subject to an amendment to the Minutes being made to note apologies from Councillor Moreton, it was proposed by Councillor Bonfield, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:-

That the Minutes of the Tourism and Local Economy Committee Meeting held on 3rd July 2024 be approved as a correct record and signed.

Consideration was given to the following recommendation contained in the Minutes:-

7) Events – Consideration of new event applications

Proposed by Councillor Tomes, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That the Junior Championship Sea Rowing Regatta event on 6th October 2024 be approved and that the Alzheimer's Charity Event on 7th June 2025 also be approved with delegated authority being provided to the VSBDM, in consultation with the Events working party, to negotiate an appropriate fee.

58. <u>Community Services Committee</u>

(a) Proposed by Councillor Bonfield, seconded by Councillor Monkhouse and RESOLVED UNANIMOUSLY:-

That the Minutes of the Community Services Committee Meeting held on 17th July 2024 be approved as a correct record and signed.

Consideration was given to the following recommendation contained in the Minutes:-

6) Mowlem Turning Circle – Regulation of parking

Proposed by Councillor Bonfield, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That a removeable lockable bollard to regulate access to the Mowlem turning circle be installed, and that parking be regulated, via permits, to be issued by the Mowlem Theatre in accordance with the criteria set out in the briefing note on the matter, subject to review after one month.

59. **Statement of Cash Balance**

(a) A Statement of Cash Balance as at 30th June 2024 was submitted for information (a copy attached at the end of these Minutes).

60. **Payment of Accounts**

In accordance with Regulations 5 and 6 of the Council's Financial Regulations, the following Payment Schedule was submitted for information:-

• Payment Schedule 3, amounting to £832,930.96.

61. Chairman's Announcements

The Town Mayor reported her attendance at the following events since the Council Meeting held on 24th June 2024:

- Swanage Railway A number of councillors and officers had been invited to attend a tour of the railway assets which included the offices and Goods Shed. It was an interesting visit and provided an opportunity to learn more about the plans to improve the facilities.
- Green Flag a proud moment to witness the Green Flag being raised at Beach Gardens for the second consecutive year and a pleasure to share this with the staff involved in the upkeep and running of the gardens and the Chair of the Environment and Green Spaces Committee.
- Coastwatch Flag Attended the railway station to watch the Coastwatch Flag make its onward journey to commemorate the 30th anniversary of the Coastwatch organisation.
- Civic Service The service is being planned for 6th October 2024 at St Mary's Church, Swanage to celebrate the 50th anniversary of Swanage Town Council and to honour the achievements of local organisations. Attendees were encouraged to contact the Mayor or Deputy Mayor with any suggestions that would contribute to a successful event.
- Upcoming Events Swanage Carnival, Lifeboat week and the Folk Festival, all to look forward to.

62. Working Party Updates and Recommendations

(a) **Car Parks, 24**th **June 2024**

It was reported that discussion included the replacement of car parking machines and further information would be provided under agenda item 15 (b).

(b) **Events, 25th June 2024**

A report from this meeting had been provided to the Tourism and Local Economy Committee Meeting held on 3rd July 2024, Minute No. 7 refers.

(c) **Property Panel**, 9th July 2024

It was reported that Members had discussed the Santa Fe Fun Park and the proposed plans for a replacement ride. It was noted that this followed the park operator's decision to remove a recently installed pirate-themed swing boat ride

following engagement with Dorset Council's planning enforcement team which had highlighted the ride's potential non-conformity with the park's permitted development rights. A further update would be provided under agenda item 13, see Minute No. 67 (a) below. Minor issues regarding the new seafront concessions were also addressed.

(d) Sport, Leisure and Wellbeing, 10th July 2024

Further to Minute No. 44 of the Council Meeting held on 24th June 2024, the working party had discussed the specialist V.A.T advice received to inform the most appropriate legal status of the body to deliver the project. An update would be provided to a future council meeting.

63. <u>Motion for the Ocean – To consider recommendation of the Environment & Green Spaces Committee to adopt the Motion for the Ocean</u>

Further to Minute No. 7 of the meeting of the Environment and Green Spaces Committee held on 26th June 2024, Members considered the contents of a briefing paper which included the draft Motion for the Ocean declaration.

It was reported that at that meeting clarification had been sought about the implications of some of the commitments contained in the draft declaration. In light of that request the briefing note set out short descriptions of the South Inshore and South Offshore Marine Plan and the Southern Inshore Fisheries and Conservation Authority.

It was noted that the Environmental Policy and Action Plan Working Party had acknowledged the importance of engagement with a wide range of stakeholders such as Planet Purbeck, Greenpeace, Swanage Pier, Wessex Water, the National Trust, local schools and the Southern Inshore Fisheries and Conservation Authority. It was anticipated that stakeholder engagement would be undertaken in the upcoming twelve months to inform the development of an action plan that would support ocean recovery.

Some concern was expressed around the potential cost implications involved in the adoption of the declaration and it was suggested that any decision in this respect should be deferred in order for additional information to be acquired, including from Dorset Council. In response, it was stated that the draft declaration had been considered by the Environment and Green Spaces Committee and that outside representatives in attendance at the Coastal Change and Beach Management Advisory Committee meetings frequently noted concerns around water quality. In addition, it was noted that at the most recent meeting of the advisory committee, held on 10th July, a representative from Wessex Water had provided a presentation highlighting the efforts of the company to reduce water pollution and better inform the public when there was a risk of contaminated water. Members expressed the importance of the ocean to the town, which included the wellbeing of residents/visitors, marine life and the potential impact on tourism of poor water quality.

Further to a lengthy discussion, it was proposed by Councillor Trite and seconded by Councillor Lejeune:-

That the draft Motion for the Ocean declaration be deferred to the next Council Meeting being held on 16th September 2024, in order to obtain further information and an indication of any associated costs.

Upon being put to the Meeting, FOUR Members voted IN FAVOUR of the Proposition, and there were FIVE AGAINST, whereupon the Proposition was NOT CARRIED.

It was therefore proposed by Councillor Monkhouse and seconded by Councillor Sutton:-

That the draft Motion for the Ocean declaration be approved and adopted, and that the Environment

Action Plan Working Party be tasked with the development of a Motion for the Ocean action plan within twelve months.

Upon being put to the Meeting, FIVE Members voted IN FAVOUR of the Proposition, THREE AGAINST and there was ONE ABSTENTION whereupon the Proposition was declared CARRIED.

The Chairman of the Environment and Green Spaces Committee invited Members to share any concerns that they might have and to contribute to the draft action plan.

Further to his declaration of interest, Councillor Bonfield left the meeting prior to consideration of the next item.

64. Beach Huts – To agree the scale of fees and charges for 2025/26

Further to Minute No. 9 of the Tourism and Local Economy Committee, consideration was given to a briefing paper which outlined the discussions held at the Beach Hut working party meetings and proposed changes to the structure of the Beach Hut fees, the booking procedure and the prices to be charged for the 2025/26 season.

Attention was drawn to section 3 of the paper which included the proposed changes to the fee structure, as set out below:

- The introduction of revised price periods to better meet demand for huts over the year (appendix 1 of paper).
- A reduction in fees over the Easter period for increased occupancy.
- Simplification of the current discount periods Full year bookings at a 25% discount and winter period (1st November to 28th March) bookings also at 25% discount.
- The upper huts priced at 70% of lower huts throughout year.
- Occupancy of the 'Artisans on the Beach' to move from 29th November 2nd January (5 weeks/6 weekends) to 22nd November to 14th December (3 weeks/4 weekends).

Members then reviewed section 4 of the paper which outlined proposed changes to the beach hut booking procedure, as shown in the following table:

Day	Release date	Period	Huts available
Day 1	7 th October 2024	52 weeks (all year)	Shore Road: 10 pre-designated huts
Day 2	8 th October 2024	21 weeks (winter)	All Shore Road huts
		1 November to 28 March	
Day 3	9 th October 2024	6 weeks	Shore Road: 25 pre-designated huts
		(summer peak)	
		12 July to 29 August	
Day 4	10 th October 2024	1 week+	All Shore Road huts
Day 1	10 th February 2025	52 weeks	All Spa Retreats only
Day 2	12 th February 2025	31 weeks	All Spa and Spa Retreats
		29 Mar to 31 Oct	
Day 3	13 th February 2025	1 week+	All Spa and Spa Retreats

Finally, consideration was given to the proposed fees, circulated prior to the meeting and set out in appendices 2 and 4 (a copy attached at the end of the minutes). It was acknowledged that the increase in prices would be necessary as maintenance of the huts would be required in the future and a simplified format would be of great assistance to

beach hut customers. It was suggested that for additional clarity, discounted prices for long lets should be rounded to the nearest whole pound.

It was proposed by Councillor Lejeune, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That the revised beach hut fee structure set out in section 3, the revised booking procedure as set out in section 4 and the fees as set out in Appendices 2, and 4, subject to any rounding, be approved.

Thanks were offered to the VSBDM for his work on this complicated matter.

Councillor Bonfield re-entered the meeting.

65. Reports from Council representatives on outside organisations

(a) **Swanage Carnival**

It was noted that Swanage Carnival would commence on Saturday 27th July. Thanks were given to the Assets and Compliance Manager, the VSBDM and their teams for their hard work in preparing for the event and the additional workload during carnival week.

66. Report from Dorset Councillors

The following updates were provided by Councillor Trite:

- It was reported that the Purbeck Local Plan had been adopted. It was noted that the Dorset Plan was 'emerging' and the Purbeck Local Plan would be referred to in the interim.
- Dorset Council had adopted a resolution in the declaration of a 'Nature Emergency', to go alongside the 'Climate Emergency', in order to make steps for the reversal of nature's decline.
- It was noted that the recently implemented changes to library opening times across Dorset had been planned to provide the greatest availability of the service for the greatest number of residents within budget constraints. There was no indication that his would be a prelude to library closures.
- Dorset-Council run parks had achieved six Green Flag Awards, including Durlston Country Park. The park had also been awarded the Green Heritage site accreditation, an award supported by Historic England, for the management and promotion of its historic features.
- Dorset Council had launched a new housing webpage which outlined the 'Home in on Housing' programme, the aims and objectives of which were noted as a) Increasing housing supply, b) Building healthy communities and c) Homes for Dorset residents.

A query was raised around the 'Home in on Housing' programme and the implications for affordable housing allocation. In response, it was noted that a consultation regarding the strategy would commence in due course and views would be welcomed. In addition, it was stated that the Town Council would be consulted on the affordable housing element within the emerging Dorset Plan through the Planning and Consultation Committee. Members asked whether the notes regarding the Dorset Council update could be circulated prior to the meeting and that only Swanage related matters be recorded in future.

67. **Reporting of delegated matters**

(a) Santa Fe Fun Park

Further to the Property Panel meeting, held on 9th July 2024, it was reported that a new ride had been installed at the park in recent days. The Town Clerk had provided

landlord consent on behalf of the Council, subject to compliance with planning policy which was a matter for Dorset Council.

68. <u>Items of Information and Matters for Forthcoming Agendas</u>

(a) Seasonal Flood Defence - Plans for deployment winter 2024/25

At the recent Coastal Change and Beach Management Advisory Committee meeting held on 10th July 2024, a representative from the Environment Agency had supplied a map (as tabled at the Council meeting) which showed proposed changes to the orientation and length of the concrete blocks to be deployed near to the Stone Quay over the winter period. Members noted the information.

(b) Coastal Flood Defences Public Engagement Event, 5th September 2024
Members noted that an engagement event would be held on 5th September 2024
regarding the Flood Defence scheme and a further update would be provided to a
future meeting.

(c) Santa Fe Fun Park Rides – Update

It was noted that an update had been provided under agenda item 13 (See Minute No. 67 (a) above).

(d) Change in Library Opening Hours

It was reported that a meeting had been held on 16th July 2024 between Town Council and Dorset Council representatives, regarding the recent change to Swanage library opening times. At the meeting, concern had been voiced about reduced opening on Saturday afternoons due to the implications for this for young people's access to study space. It was noted that attendance figures were being gathered and could be reviewed once the new opening hours had bedded in. The following options had been put forward by Dorset Council to increase opening hours, if this was something that the Town Council wished to explore:

- a) Additional staff hours funded by the Town Council.
- b) Volunteers to staff the library for additional hours.
- c) Smart card entry system (a closed library system).

It was noted that there was a 'Friends of the Library' group and work had commenced to make contact with members in order to ascertain the viability of volunteer led hours. An update would be provided to a future meeting.

(e) Swanage Pier Historic Turnstile

It was reported that this item of historic interest had been saved and presented to Swanage Museum where it was now on display.

(f) **Emergency Health Services**

Further to Minute No. 49 (b) of the Council Meeting held on 24th June 2024, the lead councillor of the Emergency Health Services working party circulated a report which contained an update from the Freedom of Information request from Southwest Ambulance Service Foundation Trust (SWASFT). In summary the FOI response had shown the following:

- A reasonable rate of staffing had been maintained (70%)
- Swanage continued to have more call outs than Wareham, although the percentage of Purbeck call outs that were to Swanage was less than the previous 6 months (63%), however, the highest rate yet of car call outs in Purbeck (83%) had been recorded.
- Emergency response times were stable (Wareham), some were shorter (Swanage category 1 imminent danger of death) and some were longer (Swanage category 2 risk of death or serious disability). However, the response times remained significantly better than in 2022 when the future of the car was uncertain.
- The number of call outs attended by the Ambulance Car increased significantly to 437 following a substantial dip in the first half of 2023.

The meeting was suspended at 8.20 p.m. due to the fire alarm sounding and all attendees left the building. At 8.25 p.m. the building was declared safe and all attendees re-entered the meeting.

A comment was raised regarding the protection of beds in care homes. In response it was stated that the Swanage Neighbourhood Plan may take into account these issues and should be referred to Dorset Council, as Adult Social Care authority, in the first instance.

(g) Sandbanks Ferry

Members were informed that the Bournemouth-Swanage Motor Road and Ferry Company had withdrawn their original application for an order to revise the maximum toll charges, however, a resubmission would be made in due course which would include updated financial information.

EXCLUSION OF PRESS AND PUBLIC

Proposed by Councillor Bonfield, seconded by Councillor Trite and AGREED:-

That, under Standing Order No. 1 c), in the public interest, the press and public be excluded from the Meeting in view of the confidential nature of the business to be transacted under agenda items 15 and 16 for reasons of legal and commercial confidentiality.

69. **Procurement**

(a) Station Approach improvement works – To agree third party contribution and award contract

Further to Minute No. 50 (b) of the Council Meeting held on 24th June 2024, at which the budget for the Station Approach improvement works had been approved, the Assets & Compliance Manager reported on the breakdown of proposed costs for work on land leased to Co-op and land managed by the Town Council.

Consideration was given to the procurement route for these works and it was noted that Dorset Council, together with their commercial partners Heidelberg Materials, would be well-placed to both undertake and supervise this project because of their expertise in managing highway improvement schemes. Given the projected cost of the works this contract would normally be put out to tender. However, a briefing note had been circulated prior to the meeting setting out reasons for Members to consider if they wished to waive the relevant financial regulations in order to permit a direct award. The briefing note highlighted the fact that Heidelberg Materials had been procured by Dorset Council under a competitive tender via a two-stage process in 2016/17 and as part of their agreement regular meetings were held to monitor performance. The partnership had been nationally recognised at the Highway Awards 2023 for delivering improved efficiency and reduced costs.

Taking these matters into consideration, it was proposed by Councillor Bonfield, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:-

To waive the Council's financial regulations in respect of contracts to the extent required to enable a direct contract award to Dorset Council to undertake improvement works to Station Approach and, subject to the Co-operative Group making a binding commitment to make a fair contribution towards the cost of the works, delegate authority to the Town

Clerk, in consultation with the Mayor and Deputy Mayor, to place an order with Dorset Council for the sum of £150,287.77 (including a 30% optimism bias).

(b) Car Park Pay and Display Machines – To award contract

Further to Minute No. 37 of the Council Meeting held on 24th June 2024, at which a budget had been approved for the acquisition of replacement car park pay and display machines, it was reported that the Car Parks Working Party had considered the available options and recommended that procurement of the preferred machines should be carried out under an available Framework Agreement.

It was proposed by Councillor Tomes, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That a contract be directly awarded to Flowbird through the ESPO Framework 509_23 for 5 Compact S5 Mobile, 3 Compact S5 Cashless and, subject to review by the Car Parks Working Party, 2 Access S5 machines at a cost of up to £44,000.

(c) Green Seafront Scheme – To consider Dorset Council project management fees 2024/25

Further to Minute No. 215 of the Council Meeting held on 25th March 2024, consideration was given to a briefing paper which set out a proposal from Dorset Council to undertake project management of the Green Seafront Scheme. It was noted that it was proposed to take a programme management approach including stakeholder mapping, risk identification and mitigation measures, project governance arrangements, project programme and communication, public engagement and consultation planning. The briefing paper highlighted that as this work constituted specialist services the contract was exempt from the Town Council's usual procurement procedures under Financial Regulation 11.1.b. It was proposed by Councillor Bonfield, seconded by the Town Mayor and RESOLVED UNANIMOUSLY:-

That, in accordance with Financial Regulation 11.1.b, Dorset Council be engaged to provide programme and project management services in respect of the Green Seafront Scheme for the 2024/25 financial year at a cost of up to £20,832.

70. **Property-Related Legal Matters**

(a) De Moulham Estate service roads – To consider arrangements for rear access to proposed redevelopment of 23 De Moulham Rd

Further to Minute No. 51 (b) of the Council Meeting held on 24th June 2024, consideration was given to legal advice from the Council's appointed solicitor, the content of which was noted.

(b) Boat Park Jetty Repairs - To consider representation from RNLI

Further to Minute No. 228 (d) of the Extraordinary Council Meeting held on 29th April 2024, consideration was given to a briefing note which set out a detailed response from the RNLI regarding a potential contribution towards the cost of the recent repair work to the boat park jetty. The content of the report was noted and it was agreed that the Town Clerk and Assets & Compliance Manager should seek to conclude without prejudice negotiations with the RNLI before reporting to a future Council Meeting later in the year.

(c) Peveril Point Road – To consider proposal for allocated parking space for Rockleigh Cottage

Consideration was given to a briefing note which set out a request that had been received from the owner of Rockleigh Cottage to formalise parking arrangements for that property on Peveril Point Road. During the debate it was noted that the Car Parks Working Party had agreed to carry out a wider review of parking arrangements along that road later in the year, following adoption of the Council's revised Off Street Parking Places Order in February 2024. Consequently, it was proposed by Councillor Bonfield, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That the matter be deferred for further consideration by the Car Parks Working Party.

The Meeting closed at 8.50 p.m.

Appendix 2 – Proposed Beach Hut Fees 2025-26

Draft Minutes of an Extraordinary Meeting of the Swanage Town Council held at the Town Hall, High Street, Swanage on **MONDAY**, **9**th **SEPTEMBER 2024** at 7.00 p.m.

PRESENT:-

Councillor T. Foster – Chairman

Councillor M. Bonfield

Councillor J. Dorrington

Councillor J. Lejeune

Councillor C. Sutton

Councillor C. Tomes

Councillor W. Trite

Councillor S. Vile

In addition to Members of the Council and officers, five Members of the public and one Member of the local press attended the Meeting.

Public Participation Time

The following matters were raised during Public Participation Time:-

- In respect of agenda item 3, comments were made regarding the Sandbanks Ferry and the proposed increase in tolls, in particular in relation to the company's accounting practices. It was noted that it may be beneficial to seek ministerial interest in the situation.
- A representative from the Chamber of Trade stated that they had submitted an objection to the proposed increase in tolls on grounds of the negative impact to businesses. It was noted that during 2022/23 when the ferry had been inoperable due to lengthy repairs it had had a devastating effect on businesses due to the reduction in footfall from Bournemouth area. The council was strongly encouraged to take action to oppose any increase in tolls.
- A comment was made regarding the parking of motorcycles near to the Stone Quay. It was stated that motorcyclists frequently parked on this section of pavement, and it seemed unclear as to whether this was permitted. It was noted that there had been no obvious sign of a change to policy, however, recently motorcyclists had received Excess Charge Notices which deterred them from returning to the town. It was suggested that an area of nearby onstreet parking could be allocated for this purpose as an alternative. In response it was noted that the next meeting of the Traffic Management Advisory Committee would be held on Wednesday 9th October 2024 and it would be appropriate to raise these concerns at that meeting.

The Chairman opened the Council Meeting at 7.10 p.m.

71. **Apologies**

Councillors Brookes, Coward, Monkhouse and Moreton gave apologies for their inability to attend the meeting, and where reasons were given these had been noted.

72. **Declarations of Interest**

Members were invited to declare their interests and consider any requests for Grants of Dispensations in accordance with Section 9 and Appendix B of the Council's Code of Conduct.

There were no declarations to record on this occasion.

73. <u>Sandbanks Ferry application for proposed increase in tolls – to consider next steps in objecting to the application</u>

Further to Minute No. 5 of the Planning and Consultation Committee meeting held on 2nd September 2024, consideration was given to the recommendation contained therein to support Dorset Council's objection to the proposed increase in tolls for the Sandbanks Ferry and agree to contribute towards the cost of legal representation.

Members raised significant concerns with regards to the proposed increase in tolls, in particular the negative impact that such an increase in cost would have on businesses, residents and the emergency services. At a recent meeting between representatives from Dorset Council, Bournemouth, Christchurch and Poole Council and local town and parish councils, it was reported that discussions had been held about the potential submission of a joint objection as a consortium.

Attention was drawn to the deadline for the registration of an objection, this being 12th September 2024, although it was noted that the consortium would be permitted to submit a detailed objection by 4th October 2024. Members acknowledged the timescales involved and as strong support had been voiced for lodging a joint objection to the proposed increase in tolls, it was deemed unnecessary to defer the matter. Members acknowledged the potential benefits to joining the consortium, which included sharing the costs of the fees for legal representation at the forthcoming public inquiry.

It was therefore proposed by Councillor Bonfield, seconded by Councillor Vile and RESOLVED UNANIMOUSLY:-

That the Town Council supports Dorset Council's objection to the proposed increase in tolls for the Sandbanks Ferry and agrees to contribute towards the cost of legal representation.

EXCLUSION OF PRESS AND PUBLIC

It was proposed by Councillor Bonfield, seconded by Councillor Sutton and RESOLVED UNANIMOUSLY:-

That, under Standing Order No. 1 c), in the public interest, the press and public be excluded from the Meeting in view of the confidential nature of the business to be transacted under agenda items 3 and 5 for reasons of legal and commercial confidentiality.

Members considered the contents of a briefing paper prepared by the Town Clerk, which outlined potential next steps and contained a draft of Dorset Council's objection to the proposed increase in tolls together with the estimated associated costs in legal representation at an inquiry. The question of how best to review revisions to Dorset Council's draft objection was discussed, and the possibility of bringing back further drafts to future Council meetings was raised. In order to proceed in a timely manner Members deemed that a small working party would be best placed to fully consider the matter and work with the Town Clerk to provide feedback as required.

It was therefore proposed by Councillor Bonfield, seconded by Councillor Vile and RESOLVED UNANIMOUSLY:-

That a working party be appointed, consisting of Councillors Bonfield, Foster and the Town Clerk, with delegated authority to consider the content of Dorset Council's draft objection and to provide feedback to Dorset Council as required.

Consideration was given to the financial contribution from the Town Council towards the fees for legal representation, which there was outline agreement to share between the two principal authorities and neighbouring parish councils. It was proposed by Councillor Bonfield, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:-

That the Town Council caps its financial contribution towards legal representation at £4,000.

74. Items of Information and Matters for Forthcoming Agendas

It was noted that the next meeting of the Council, to be held on Monday 16th September 2024, would take place at The Swanage School, High Street, Swanage at 7.00 p.m.

75. **Property-Related Legal Matters**

(a) <u>De Moulham Estate service roads – To consider arrangements for rear access to proposed redevelopment of 23 De Moulham Rd</u>

Further to Minute No. 70 (a) of the Council Meeting held on 22nd July 2024, consideration was given to a briefing paper prepared by the Town Clerk, which set out legal advice received from the Council's appointed solicitor, and valuation advice from the Council's appointed surveyor, dated 9th September 2024.

It was proposed by Councillor Bonfield seconded by Councillor Trite and RESOLVED UNANIMOUSLY:-

That the proposal set out by the surveyor in his letter of 9th September 2024, regarding access rights over the service road to the rear of 23 De Moulham Road, future maintenance of the road and payment of the Council's professional fees, be approved.

The Meeting closed at 7.55 p.m.

Draft Minutes of an Extraordinary Meeting of the <u>FINANCE AND</u> <u>GOVERNANCE COMMITTEE</u> held at the Town Hall, Swanage on <u>WEDNESDAY</u>, 24th <u>JULY 2024</u> at 11.30 a.m.

PRESENT:- Councillor T. Foster (Town Mayor) – Chairman

Councillor M. Bonfield Councillor D. Monkhouse Councillor C. Moreton Councillor C. Tomes

Also in attendance: -

Councillor J. Lejeune
Dr M. Ayres Town Clerk
Miss A. Spencer Finance Manager

There were no members of the public present at the meeting.

1. **APOLOGIES**

Apologies for his inability to attend the meeting were received from Councillor Trite.

2. **DECLARATIONS OF INTEREST**

Members were invited to declare their interests and consider any requests for Grants of Dispensations in accordance with Section 9 and Appendix B of the Council's Code of Conduct.

No declarations were made on this occasion.

3. <u>TO APPOINT MEMBERS TO THE VEXATIOUS CORRESPONDENCE AND COMPLAINTS POLICY SUB-COMMITTEE</u>

Consideration was given to the appointment of a Vexatious Correspondence and Complaints Sub-Committee, as required by the Vexatious Correspondence and Complaints Policy which was adopted at the Extraordinary Council Meeting held on 29th April 2024 (Minute No. 219 refers). The terms of reference for the appointment of the sub-committee were outlined and it was noted that this would comprise of three members. It was suggested that the Chairman of the Personnel Committee should sit on the sub-committee, although it was noted that Councillor Trite was absent and could not state his position.

After further discussion, it was proposed by Councillor Tomes, seconded by Councillor Moreton and RESOLVED UNANIMOUSLY:

To appoint Councillors, Monkhouse, Moreton and Trite to the Vexatious Correspondence and Complaints Policy Sub-Committee; should Councillor Trite not wish to sit on the subcommittee, Councillor Bonfield would be appointed in his place.

Turning to the implementation of the policy itself, Members highlighted the need for the Council to be open-minded and to ensure that pertinent questions or complaints were not dismissed or ignored. A detailed explanation as to the role of the subcommittee and its responsibilities was given and it was noted that some sections of the

policy were open to interpretation, which could make a significant difference as to how the policy would be implemented. It was, therefore, agreed that at the first meeting of the sub-committee the policy should be reviewed to consider whether any changes should be considered by the Finance & Governance Committee.

4. **FINANCIAL REPORTS – Q1 2024/25**

a) Income & Expenditure – Budget Monitoring Report

Consideration was given to a report setting out the principal sources of the Town Council's income and expenditure for the first quarter of the 2024/25 financial year. It was noted that the overall position was generally as per budget, with the exception of the additional repairing works to the Boat Park jetty, incurring an additional £40k of unbudgeted expenditure. A resulting overall overspend of £21k had resulted at the end of the quarter.

Car park income was noted as being on budget, despite the inclement weather, although visitor numbers were down on Q1 23/24. With regard to the changes to the charging structure, it was stated that a more realistic assessment of the implementation of these changes would be known at the end of the second quarter, after the summer season.

A significant overspend in legal fees was noted, although it was reported that a substantial portion of this would be recharged, as reflected in an opposing variance in income.

It was noted that the nationally agreed annual pay award was unlikely to be settled before the end of the next quarter, and this may result in variances to budget.

Investment income was noted as above budget, with an average interest rate of 5.09% being attained. It was reported that £7.6k, being the income received above budget, had been appropriated to the Treasury Risk Management Reserve as per policy.

The Budget Report and commentary on the Council's financial activity was received and noted.

b) <u>Capital Programme Monitoring Report</u>

Consideration was given to the Capital Programme Monitoring Report for the first quarter of 2024/25. It was noted that there had been limited financial activity during the quarter with only one payment having been made, a deposit for the PV panel installation, ref BF2.

Further to a matter raised regarding electric vehicle charging facilities, it was noted that the installation of chargers would probably take place within the next quarter, with the Council paying for the installation costs for the chargers at the Main & North Beach car parks, which were due to be reimbursed via a grant from Dorset Council. It was noted that there was no other financial commitment due from the Council.

It was reported that all of the project management works were ongoing. A question was raised regarding the required works at Peveril Point Road. It was noted that these works were to stabilise certain parts of the road and adjoining walls, with Dorset Council being engaged to review the scope of works and control costs.

The contents of the report were noted.

5. TO CONSIDER COUNCIL PRIORITIES/WORK PLAN

The item was introduced for the benefit of new members of the committee. It was stated that the priorities report was designed to enable Members to ensure that Council resources were focussed on priority matters identified in the corporate plan.

a) Outturn Winter/Spring 2023/24

Further to Minute No. 164 of the Council Meeting held on 15th January 2024, the position with regards to the stage of completion of the council priorities for winter/spring 2023/24 were outlined, with several large projects having been completed.

b) Proposed Plan Summer/Autumn 2024

The priority list for summer/autumn 2024 was discussed, with most items being noted as a high priority. The matter of the footpath linking Washpond Lane and Northbrook Road was raised as it was perceived to have stalled. It was noted that the Town Clerk would raise this matter once again with Dorset Council. The potential to move forward with smaller goals as set out in the Corporate Plan was raised, with these potentially moving onto the list. The review of the Corporate Plan was noted as starting in early autumn.

The priority list contained a review of the committee structure. It was noted that the structure had been adopted on an interim basis, with a review due to take place 6 months after implementation. However, it was reported that the review had been deferred pending the Council elections. Members were concerned that newly elected Members may not yet be in a position to effectively review the structure, given the limited number of committee meetings that had taken place since the elections. It was, therefore, agreed that this item should be removed from the priority list and reviewed following the next round of committee meetings.

It was proposed by Councillor Bonfield, seconded by Councillor Tomes and RESOLVED UNANIMOUSLY:

TO RECOMMEND

That the draft Council Priority Plan for summer/autumn 2024 be approved.

6. <u>ITEMS OF INFORMATION AND MATTERS FOR FORTHCOMING AGENDAS</u>

The following were listed as matters for forthcoming agendas.

a) Review of Corporate Plan and Committee Structure – matter discussed in item 5 b)

7. TO REVIEW THE TIME OF FUTURE MEETINGS - NEXT MEETING SCHEDULED FOR 11.30 a.m. WEDNESDAY 6TH NOVEMBER 2024

Members discussed the time of future Finance & Governance Committee meetings. It was noted that some Members had work commitments which meant that meetings were difficult to attend with an 11.30 a.m. start time. It was proposed by Councillor Monkhouse, seconded by Councillor Bonfield and RESOLVED UNANIMOUSLY:

TO RECOMMEND

That Council approves a change in the time of the Finance & Governance Committee meetings from 11.30 a.m. to 2.15 p.m.

The date of the next scheduled meeting was noted as 6th November 2024.

The meeting concluded at 12.25 p.m.

- mo mooting contract to 12.20 P.m.

Draft Minutes of the Meeting of the <u>PLANNING AND</u> <u>CONSULTATION COMMITTEE</u> held at the Town Hall, Swanage on <u>MONDAY</u>, 5th <u>AUGUST 2024</u> at 7.00 p.m.

Chairman: -

Councillor M Bonfield Swanage Town Council

Present: -

Councillor T Foster Swanage Town Council

Councillor J Lejeune Swanage Town Council – from 7.35pm

Councillor D MonkhouseSwanage Town CouncilCouncillor C MoretonSwanage Town CouncilCouncillor C TomesSwanage Town CouncilCouncillor S VileSwanage Town Council

Also in attendance: -

Councillor S Brookes Swanage Town Council Councillor W Trite Swanage Town Council

Dr M Ayres Town Clerk

Miss N Clark Planning and Community Engagement Manager

There were seventeen members of the public present at the meeting.

Public Participation Time

The following matters were raised:-

- Planning application No. P/OUT/2024/03253 Harrow House, Harrow Drive, Swanage a number of concerns regarding a proposed new development of 93 residential dwellings, which included:-
 - Lack of affordable housing for local people comments made that the proposed level of 'affordable' units was unacceptable.
 - Highway issues concerns that access to the new development would be via a narrow, residential road, Walrond Road, and attention drawn to regular occurrences of inconsiderate parking and passing issues seen in the road. Comments made regarding visibility issues when exiting into Northbrook Road, the recent increase in traffic in that road due to a new residential development of 180 dwellings (which was nearing completion), and pedestrian safety concerns, in particular regarding schoolchildren walking to the St Mary's Primary School and Pre-school. Further concerns raised regarding access for emergency vehicles, and the impact of construction traffic during any construction works.
 - **Infrastructure** concerns regarding the already congested A351/A35 if more people decided not to use the ferry service in view of affordability, and the increased adverse impact on the environment this could bring. Further concerns regarding the increased impact on the sewerage system, which already experienced issues/blockages at times, and the possible impact on the town's Blue Flag and Seaside Award.
 - Lack of local services to support such an increase in resident numbers, in particular the town's young people.
 - Overbearing size and scale of part of the proposed development concerns regarding overlooking and loss of privacy for some properties in Cauldron Crescent. Lack of detail within the outline plans regarding elevations on the site. Comments were made that contact had been made with the developer regarding these concerns, but that no response had been received.
 - **Eastern Area Planning Committee (EAPC)** a request made for the date and venue of the EAPC Meeting at which the outline planning application would be considered to be publicised widely to enable local residents to apply to speak at the meeting.

• Sandbanks Ferry Application for Increase in Tolls – concerns regarding the ferry company's proposals, and the potential adverse impact these would have on the local community. Request made for the Town Council's support in objecting to the application.

1) Apologies

There were no apologies given for inability to attend the Meeting.

2) <u>Declarations of Interest</u>

Members were invited to declare their interests and consider any requests for Grants of Dispensations in accordance with Section 9 and Appendix B of the Council's Code of Conduct.

Planning application No. P/FUL/2024/03005 Land to the north of Prospect Way, Swanage - Councillor Tomes declared a non-pecuniary interest under the Code of Conduct by reason of a family member having a business connection with the landowner.

Tree works application No. P/TRT/2024/03898 9 Bon Accord Road, Swanage, BH19 2DN – Councillor Vile declared a non-pecuniary interest under the Code of Conduct by reason of being a Trustee of the Swanage Community Land Trust, the applicant was also a Trustee of the Land Trust.

There were no further declarations to record on this occasion.

Planning

3) Plans for consideration

Delegated Applications

Further to Standing Order No. 12) a) viii, it was proposed by the Chairman and AGREED:-That Items 6 and 7 on the Planning List be brought forward to Items 1 and 2.

* P/OUT/2024/03253

Harrow House, Harrow Drive, Swanage, BH19 1PE

Outline application with all matters reserved (except for access) for the erection of up to 93 dwellings, including the conversion of an existing building, with associated infrastructure, landscaping, and parking.

OBSERVATION: Recommend refusal. The Town Council has major concerns regarding the proposals as follows:

Lack of affordable housing – Purbeck Local Plan (PLP) Policy H11: Affordable Housing

The Town Council is extremely disappointed to note that the 'affordable' housing element of the proposed development of 93 dwellings is unacceptable at only 9.68% (9 dwellings). These are stated to be 'starter homes' which are all one-bedroom flats, and are subject to a price cap of £250,000 (after any discount applied), which is considered unaffordable to typical first-time buyers.

During the original community engagement undertaken by the developer the 'affordable' housing element proposed was 30% (28 dwellings). Local housing need statistics evidence that Swanage does not need more houses, its needs more affordable and social housing, with a mix of tenures to meet those needs (**PLP Policy H9: Housing Mix** - Provide a mix of housing, to include affordable options, that meets the needs of local people).

Major concerns are also raised regarding the submitted Economic Viability Assessment, and a request is made for this to be independently scrutinised.

Highway issues – traffic generation, vehicular access, highway safety

The housing development in Northbrook Road (Compass Point - 180 new dwellings) is nearing completion, and there has been a significant increase in vehicular traffic in Northbrook Road, and the surrounding area. Particular concerns are already held by the Town Council regarding vehicle and pedestrian safety/visibility in Northbrook Road, and at its junction with Victoria Avenue, which is the main, busy route into the town/to the beach area (motor vehicles and pedestrians), and route to Studland/Bournemouth.

The proposed new development will be accessed from Northbrook Road, and via a narrow residential road (Walrond Road) which already experiences existing parking and passing issues, which could be exacerbated by such an increase in traffic movements (including motor vehicles, delivery vehicles, refuse collections, emergency services, and construction traffic).

Capacity of physical infrastructure/deficiencies in social facilities – lack of local facilities to service increase in permanent resident numbers

Potential large increase in resident numbers - possible adverse impact on existing local services and infrastructure. Although not a material planning consideration, the Town Council recommends that consultation is undertaken with local schools, health and community services to assess the actual impact that this potential increase in the Swanage population would have. The assumption is that this proposed new development would be subject to the new **PLP Second Homes Policy: H14**, which was adopted on 18th July 2024.

Councillor Lejeune joined the Meeting at 7.35 p.m.

Councillor Tomes left the room during consideration of the following item.

P/FUL/2024/03005 Land to the north of Prospect Way, Swanage

Change of use of land to Suitable Alternative Natural Greenspace. **OBSERVATION:** No objection.

Councillor Tomes re-entered the room.

P/FUL/2024/03504

Access to Burlington Chine, Burlington Chine, Swanage, BH19 1LS

Erect two timber beach huts.

OBSERVATION: Recommend refusal. The Town Council's concerns regarding this proposal are as follows:

Purbeck Local Plan: Coastal change – Policy E6: Coastal Change Management Areas - the Town Council has major concerns regarding ground stability in the area surrounding this site, which has recently experienced landslides, and the potential detrimental impact the siting of the proposed beach huts could have on the sensitive coastline.

Dorset Council's Coastal Risk Management Report - the Town Council is in support of the Coastal Risk Management Officer's report dated 11th July 2024.

Purbeck Local Plan: Conserve and enhance Purbeck's natural habitat, biodiversity, and geodiversity - Policies E7: Conservation of protected sites, and E10: Biodiversity and geodiversity - the site

is in close proximity to a Site of Special Scientific Interest, and Special Area of Conservation, and concerns are held regarding the potential adverse impact on local wildlife and its habitats (also referred to in the Ecological Impact Assessment dated June 2024).

Further to its concerns above, the Town Council was disappointed to note that the site had been cleared, and trees removed, prior to the

planning application being submitted to Dorset Council.

12 Ballard Estate, Swanage, BH19 1QZ P/FUL/2024/03506

Upper cliff slope remedial reinforcement works.

OBSERVATION: No objection.

P/HOU/2024/03739 29 Manwell Road, Swanage, BH19 2QB

> Erect single storey side extension. **OBSERVATION:** No objection.

2 Peveril Road, Swanage, BH19 2DH P/HOU/2024/03746

Erect side extension, internal alterations, and increase the extent of the

roof.

OBSERVATION: No objection.

P/LBC/2024/02795 371 High Street, Swanage, BH19 2NP

> Replacement of stone roof. **OBSERVATION:** No objection.

P/VOC/2024/03220 **Reconsultation – Amended Plans**

Sentry Cottage, Sentry Road, Swanage, BH19 2AG

Variation to conditions of planning permission P/HOU/2024/00699 (Kitchen extension and extended deck to create covered store.) to

update drawings with chimney. **OBSERVATION:** No objection.

P/VOC/2024/03450 1A Hillview Road, Swanage, BH19 2QU

> Application to vary condition 2 of approved planning application P/HOU/2024/06488 (Side extension, reposition garage (new

rebuilt), form new access.) to amend the layout.

OBSERVATION: No objection.

For Information Only

P/CLP/2024/03507 **Certificate of Lawful Use Proposed**

12 Ballard Estate, Swanage, BH19 1QZ

Single storey rear extension, roof lights and solar panels.

P/NMA/2024/03480 **Non Material Amendment**

Punfield, 15 Ballard Estate, Swanage, BH19 1QZ

Non material amendment to approved planning application P/HOU/2023/07532 (Extend bedroom into existing garage.) to alter the facade detail and, instead of render, create a small section of tongue and groove cedar cladding below the cill, and have two additional, similar sized facing boards on the side of the windows.

* The Town Council is Corporate Trustee of the De Moulham Trust, which holds the benefit of covenants in the properties that are the subject of applications marked *.

4) Applications for tree works - opportunity to raise any matters of concern

P/TRC/2024/01907 Sentry Fields, 27 Park Road, Swanage, BH19 2AA

T1003 Ash - Crown reduce to an approximate finished height of 10-

11m, and a finished canopy spread of 9m.

P/TRT/2024/03898 9 Bon Accord Road, Swanage, BH19 2DN

T1 Beech - Crown lift to 6.5m above ground level.

T2 & T3 Holm Oaks - Crown lift to 4m above ground level.

P/TRT/2024/04156 2A Atlantic Road, Swanage, BH19 2EG

Sycamore - Re-pollard to previous points at a height of approximately

10m above ground level (repeat of previous application ref.

TPO/2021/015).

Consideration was given to the above proposed tree works. Committee Members had no objections to make regarding these applications.

Neighbourhood Planning

5) Swanage Neighbourhood Plan (SNP) Steering Group

a) To consider date of next SNP Steering Group meeting

Further to Minute No. 6) of the Planning and Consultation Committee Meeting held on 1st July 2024, it had not been possible to schedule in a meeting of the Steering Group. It was agreed that this would be held on 19th August 2024.

6) Items of Information and Matters for Forthcoming Agendas

- a) Dorset Council (DC) 'A Big Conversation' Public Consultation it was reported that DC's new Cabinet members were seeking feedback from residents and communities to help shape their plans and priorities for the next five years. Following the local elections in May 2024, Dorset Councillors were working through their proposed priorities and were keen for Dorset residents to be part of that. The four proposed priorities were:
 - 1. Communities for all
 - 2. Respond to the climate crisis
 - 3. Provide high quality housing
 - 4. Grow our economy

Thoughts and feedback could be submitted online, via paper questionnaire at local libraries, and at face-to-face engagement events, closing date for comments 15th September. It was noted that there were plans for further 'conversations' over the next five years.

b) Bournemouth-Swanage Motor Road and Ferry Company, Application for Increase in

Tolls – it was reported that the Ferry Company had submitted an application to the Secretary of State for Transport for an Order to increase the tolls for the use of the ferry. It was noted that this new application also included a toll for the use of the road. During the ensuing discussion concerns were raised about the proposed increases, and reduction in discounts which, if approved, would primarily affect local residents and businesses, having a considerable financial impact on regular users.

Committee Members were in agreement that this matter should be placed on the agenda of the next Committee Meeting, when consideration would be given to the Town Council's grounds for objection to the application. It was noted that the closing date for any representations was 12th September 2024.

Contact would be made with Dorset Council, BCP Council and neighbouring parish Councils for their thoughts on the application prior to the next Committee Meeting.

7) Date of next meeting

The date of the next meeting had been scheduled for 9th September 2024. However, in view of the closing date for representations regarding the above Sandbanks Ferry Toll Application, and availability of Committee Members, it was agreed that the next meeting would be brought forward to 2nd September 2024.

The meeting closed at 8.00 p.m.

Draft Minutes of the Meeting of the <u>PLANNING AND</u> <u>CONSULTATION COMMITTEE</u> held at the Town Hall, Swanage on <u>MONDAY</u>, 2nd <u>SEPTEMBER 2024</u> at 7.00 p.m.

Chairman: -

Councillor M Bonfield Swanage Town Council

Present: -

Councillor T Foster Swanage Town Council

Councillor J Lejeune Swanage Town Council – from 7.10pm

Councillor D Monkhouse Swanage Town Council Councillor C Moreton Swanage Town Council

Also in attendance: -

Miss N Clark Planning and Community Engagement Manager

There were two members of the public present at the meeting.

Public Participation Time

The following matter was raised:-

• A local resident reported that they had attended and enjoyed the previous Committee Meeting held on 5th August and that they had posted updates on discussions held at the meeting on a local social media page, which had been well-received. The resident hoped that Committee Members were in approval of these updates as they wished to continue to attend meetings and post updates in the future.

1) Apologies

Apologies for their inability to attend the Meeting were received from Councillors Tomes and Vile.

2) <u>Declarations of Interest</u>

Members were invited to declare their interests and consider any requests for Grants of Dispensations in accordance with Section 9 and Appendix B of the Council's Code of Conduct.

There were no declarations to record on this occasion.

Planning

3) Plans for consideration

Delegated Applications

P/FUL/2024/03510 The Winch, Chandlers, Taunton Road, Swanage, BH19 2BU

Change of use from a dwelling to a furnished holiday let. **OBSERVATION:** No objection. However, a question was raised about a previous consultation the Town Council had responded to regarding a potential registration scheme/register for short-term lets in the Dorset Council area, and whether this had been/will be introduced. A further question was raised as to what the minimum term was for a change of use of this type (and/or whether an application could be submitted to change use back to a residential dwelling at any time). Clarification would be sought from the planning officer accordingly.

*# P/FUL/2024/04298

Kiosk adjacent Beach Bungalows, Shore Road, Swanage, **BH19 1LD**

Remove bin store and create extension for WC and storage. **OBSERVATION:** No objection. However, the Town Council is disappointed to note that the leaseholder of the kiosk has not approached the Council as landlord for consent prior to submitting the planning application to Dorset Council. The details of this proposal will therefore be placed on the agenda of a future Council Meeting for consideration.

* P/FUL/2024/04526

The Church of The Holy Spirit and St Edward, Victoria Avenue, Swanage, BH19 1AH

Removal of stone slab from south elevation of church, and demolition of adjacent gate pier.

OBSERVATION: No objection, in the interests of health and safety.

* P/HOU/2024/04388

58 Durberville Drive, Swanage, BH19 1QW

Erect single storey rear extension. **OBSERVATION:** No objection.

P/LBC/2024/04207 LISTED

Listed Building Consent

The Globe Inn, 3 Bell Street, Swanage, BH19 2RY

Re-thatch rear outbuilding only.

OBSERVATION: No objection. The Town Council is pleased to note that the roof of the outbuilding is being re-thatched, to match the existing thatched roof in look and form (and not replaced with an alternative material).

For Information Only

P/NMA/2024/04335 Non-Material Amendment

57 Ulwell Road, Swanage, BH19 1QU

Non-material amendment to approved planning application number P/FUL/2023/04086 (Demolition of existing bungalow and replacement with chalet bungalow.) to replace roof light window in ensuite bathroom with a dormer window.

P/HOU/2024/00443

Notification of Appeal

Appeal start date: 6th August 2024

Appeal Reference: APP/D1265/D/24/3346903 Sentry Cottage, Sentry Road, Swanage, BH19 2AG

Erect first floor rear extension and extended deck to create covered store.

An appeal had been made to the Secretary of State against the decision of Dorset Council to refuse to grant planning permission. The appeal was proceeding under the Householder Appeals Service.

Please note:

- * The Town Council is Corporate Trustee of the De Moulham Trust, which holds the benefit of covenants in the properties that are the subject of applications marked *.
- # The Town Council is the owner of land included within, or directly affected by, applications marked #.

4) Applications for tree works - opportunity to raise any matters of concern

There were no matters raised.

5) Sandbanks Ferry application for proposed increase in tolls – further to discussions at the key stakeholders' meeting held on 30th August 2024 - to consider the grounds for objection to the application

Further to Minute No. 6 b) of the Meeting of the Planning and Consultation Committee held on 5th August 2024, and discussions held at the key stakeholders' meeting held on 30th August 2024, consideration was given to the grounds for objection to the proposed increase in tolls for the Sandbanks Ferry.

Members voiced particular concern about the increase in fares and reduction in discounts, which would have a detrimental impact on local residents and commuters.

It was reported that Dorset Council was intending to lodge an objection and was willing to work jointly with BCP and local parish and town councils as a consortium. The importance of legal representation at any forthcoming public inquiry was highlighted.

It was proposed by Councillor Monkhouse, seconded by Councillor Foster and RESOLVED UNANIMOUSLY:-

TO RECOMMEND:

That the Town Council supports Dorset Council's objection to the proposed increase in tolls for the Sandbanks Ferry and agrees to contribute towards the cost of legal representation.

The Town Mayor, Councillor Foster, noted that it was likely that she would call an Extraordinary Council meeting to consider this matter prior to the deadline for objections.

Consultation

6) To note receipt of the following consultation document, and to determine the Council's preferred method of response, if any:

a) Ministry of Housing, Communities and Local Government (MHCLG) – Public Consultation on proposed reforms to the National Planning Policy Framework (NPPF) and other changes to the planning system

It was reported that the government had proposed significant changes to the NPPF, and a series of wider national planning policy reforms, and was seeking views on its proposed approach to making these reforms/changes 'in order to achieve sustainable growth in our planning system'. The MHCLG had prepared a draft NPPF document which set out the proposed amendments as 'tracked changes' for ease of reference. Summaries of the proposed reforms and changes had also been provided to Committee Members.

During the ensuing discussion particular concerns were raised regarding proposed changes to the housing delivery policies, which were significant and could lead to higher housing targets in many areas (restoring mandatory housing targets and updating the method used to calculate them), and to the affordable housing policies.

Further concerns were raised regarding a new 'grey belt' designation proposed for land in the Green Belt which made a 'limited contribution' to Green Belt. Attention was drawn to the fact that the Swanage Neighbourhood Plan would be looking to protect green spaces in the town.

Committee Members felt that in view of the importance of the consultation, and the concerns held above, further time would be required to review the document in greater detail before the Town Council's response could be formulated. It was noted that the closing date for responses was 24th September 2024, which was before the date of the next Committee Meeting (7th October). It was therefore agreed that Members would forward any comments, observations, or concerns regarding the proposed planning reforms and changes to the Planning and Community Engagement Manager, copying all Committee Members into these comments, for inclusion in the Council's response to the consultation.

It was proposed by Councillor Bonfield, seconded by Councillor Moreton and RESOLVED UNANIMOUSLY:-

That delegated authority be given to the Planning and Community Engagement Manager, in consultation with the Chairman, Councillor Bonfield, to collate Members' comments and input the answers to the online survey, in accordance with discussions made at the meeting, and comments received, prior to the consultation's closing date of 24th September.

Neighbourhood Planning

7) Swanage Neighbourhood Plan (SNP) Steering Group

a) Matters arising from draft Minutes of the Meeting of the Swanage Neighbourhood Plan Steering Group held on $19^{\rm th}$ August 2024

There were no matters raised.

8) <u>Items of Information and Matters for Forthcoming Agendas</u>

- a) Have your say: Survey on proposed Sports and Leisure Centre at Day's Park, Swanage a reminder was given about the Town Council's survey, the responses to which would be supporting a planning application to build a new Sports and Leisure Centre. This would replace the existing building in Day's Park. The Council welcomed views on this important community project. Closing date for responses 9th September 2024.
- **b) Dorset Community Tree Project, Volunteer Tree Warden training** it was reported that Councillor Foster would be undertaking Volunteer Tree Warden training on 19th September 2024. This was a project funded by Dorset Council.

7) Date of next meeting

The date of the next meeting had been scheduled for Monday 7th October 2024.

The meeting closed at 7.45 p.m.

Armed Forces Covenant

(a) To consider signing the covenant and approving Town Council pledges

The draft Armed Forces Covenant document (copy attached) was considered by the Personnel Committee at a meeting held on 17th April 2024, where a presentation was provided by Emily Kadoch of the Wessex Reserve Forces' and Cadets' Association. An informative presentation was provided, which introduced the principles of the Armed Forces Covenant and potential pledges that the Town Council could make in support of the armed forces community. Information was also provided regarding the Defence Employers Recognition Scheme, and the requirements that the Town Council would need to meet to achieve bronze, silver or gold accreditation.

It was further discussed at a meeting of the Finance and Governance Committee held on 25th April 2024, where Members were minded to agree that the signing of the covenant should be placed on the agenda of a future Council meeting, with a view to holding a covenant signing event in the autumn.

In terms of the pledges regarding employment, the following advice has been received from the Council's HR advisors, South West Councils.

Guaranteed Interview

If you sign up to guarantee an interview under the covenant for those who meet the essential criteria, that doesn't mean you have to interview everyone who meets the essential criteria – which is good, because in theory there could be lots of them! As you've alluded to, it does slightly invite the question 'you've chosen to do it for ex Armed Services, why don't you do the same for others' (e.g. via the <u>Disability Confident</u> scheme, or some local authorities guarantee it for care leavers) but you won't be obliged to do these too.

Leave

There's no legal requirement to give additional leave, even to those who are reservists. In terms of what you might **choose** to offer, I had a dig around and found this via https://www.gov.uk/government/publications/corporate-covenant-guidance. I'm not sure that the training commitments are covered as 'public duties' but you could consider whether you think they are (and maybe add an example to your current list) and/or add an additional category of leave if that's what you wanted to do. The 1st bullet point is simply about being flexible and the 2nd bullet point would presumably be covered under Compassionate Leave.

How can our business endeavour to offer a degree of flexibility in granting leave for service spouses and partners before, during and after a partner's deployment?

You may wish to:

- Look sympathetically on requests for holidays before, during or after a
 partner's overseas deployment, when the service person has leave to spend
 time with their family.
- Consider whether special paid leave is appropriate for employees who are bereaved or whose loved ones are injured.

How can our business seek to support our employees who choose to be members of the reserve forces?

You may wish to:

- Accommodate your reservists' training commitments wherever possible.
 This is normally a number of weekends and a two-week training camp each year.
- You may simply choose to allow them to take normal leave for this twoweek camp – or perhaps consider offering additional unpaid or, where practicable, even paid leave.
- Accommodate mobilisation of your reservists if they are required to deploy.
 This would generally be for a six-month deployed period as well as pre-deployment training and post-deployment recuperation, although some may be shorter (such as the 2012 Olympics, which was for one month). Forces are structured to sustain one deployment every five years if required apart from the Royal Auxiliary Air Force which might entail one every three years.

More information on supporting reservist can be found on the Reserve Forces and Cadets Association homepage.

Decision required:

To consider granting authority to the Town Mayor to sign the Armed Forces Covenant on behalf of Swanage Town Council and the pledges set out therein.

(b) To consider arrangements for signing ceremony

Preliminary discussions have been held with Mr Frank Roberts of Swanage Railway and Swanage Army Link, to work together with both organisations to arrange a joint signing ceremony with the Town Council.

Decision required:

To consider delegating to the Town Clerk, (in consultation with the Town Mayor and Deputy Mayor), confirmation of the arrangements for an Armed Forces Covenant signing ceremony, working jointly with Swanage Railway and Swanage Army Link.

Emma Evans Democratic Services Officer September 2024

Swanage Town Council

We, the undersigned, commit to honour the Armed Forces Covenant and support the Armed Forces Community. We recognise the value Serving Personnel, both Regular and Reservists, Veterans and military families contribute to our business and our country.

The Armed Forces Covenant

An Enduring Covenant Between

The People of the United Kingdom His Majesty's Government

- and -

All those who serve or have served in the Armed Forces of the Crown

And their Families

The first duty of Government is the defence of the realm. Our Armed Forces fulfil that responsibility on behalf of the Government, sacrificing some civilian freedoms, facing danger and, sometimes, suffering serious injury or death as a result of their duty. Families also play a vital role in supporting the operational effectiveness of our Armed Forces. In return, the whole nation has a moral obligation to the members of the Naval Service, the Army and the Royal Air Force, together with their families. They deserve our respect and support, and fair treatment.

Those who serve in the Armed Forces, whether Regular or Reserve, those who have served in the past, and their families, should face no disadvantage compared to other citizens in the provision of public and commercial services. Special consideration is appropriate in some cases, especially for those who have given most such as the injured and the bereaved.

This obligation involves the whole of society: it includes voluntary and charitable bodies, private organisations, and the actions of individuals in supporting the Armed Forces. Recognising those who have performed military duty unites the country and demonstrates the value of their contribution. This has no greater expression than in upholding this Covenant.

Section 1: Principles of the Armed Forces Covenant

- 1.1 We **Swanage Town Council** will endeavour in our business dealings to uphold the key principles of the Armed Forces Covenant, which are:
 - no member of the Armed Forces Community should face disadvantage in the provision of public and commercial services compared to any other citizen
 - In some circumstances special treatment may be appropriate especially for the injured or bereaved.

Section 2: Demonstrating our Commitment

2.1 We recognise the value serving personnel, reservists, veterans and military families bring to our business and to our country. We will seek to uphold the principles of the Armed Forces Covenant, by:

Promoting the Armed Forces:

Promoting our work, activities and events through our own digital and social media channels as well as working with the press.

Publishing our Covenant pledges on a dedicated Covenant section/page on our website.

Promoting the fact that we are an Armed Forces friendly organisation, to our staff, contractors, customers, suppliers and wider public.

Veterans:

Working with and advertising vacancies through Career Transition Partnership (CTP), to ensure employment opportunities are made available to veterans.

Guaranteeing interviews with veterans who meet the essential criteria in the job specification.

Recognising military skills and qualifications in our recruitment and selection process.

• Service Spouses & Partners:

Supporting the employment of service spouses and partners by welcoming job applications from spouses/partners who meet the essential criteria in the person specifications.

Partnering with and advertising vacancies on Forces Families Jobs, to ensure employment opportunities are made available to Service Spouses & Partners.

Endeavouring to offer a degree of flexibility in granting leave for services spouses and partners before, during and after a partner's deployment.

Reserves:

Supporting our employees who are already members of the Reserve Force.

Supporting any mobilisations and deployments.

Granting additional leave to our Reservist employees to support annual training, in accordance with paragraphs 9 and 11 of the Council's Leave Policy.

Supporting the employment of members of the Reserve Force by welcoming job applications from those who meet the essential criteria in the person specifications.

Cadet Force Adult Volunteers:

Supporting our employees who are volunteer leaders in military cadet organisations.

Granting additional leave to our Cadet Force Adult Volunteer employees to attend annual training and courses in accordance with paragraphs 9 and 11 of the Council's Leave Policy.

Recognising the benefits of employing cadets/ex-cadets within the workforce.

National Events:

Supporting Armed Forces Day, Reserves Day, the Poppy Appeal Day and Remembrance activities.

Armed Forces Charities:

Supporting Armed Forces charities (eg SSAFA) with fundraising and supporting staff who volunteer to assist.

Additional commitments:

Marking the town's link with the 11th Signals Regiment, Royal School of Signals, by periodically inviting the regiment to exercise the liberty of the town.

Inviting Armed Forces representatives to Town Council civic events (such as church services and the marking of royal occasions).

Appointing a 'Mayor's Cadet' each year.

2.2 We will publicise these commitments through our literature and on our website, setting out how we will seek to honour them and inviting feedback from the Service community and our customers on how we are doing.

Day's Park Community Sports Facility - To consider arrangements for submission of planning application and revised funding request

Background

At the Council Meeting held on 11th December 2023 the Town Council agreed to work with Swanage Town & Herston Football Club to provide a community sports facility at Day's Park, commencing with a two-phase engagement with local sports clubs and the wider community.

Following this, an invitation was sent to a wide range of local sports clubs to attend a meeting at the Day's Park Clubhouse on the evening of Thursday 4th January 2024. Attendance was limited, partly due to the appalling weather conditions, but, nevertheless, badminton, gymnastics, walking football, table tennis, croquet and Purbeck Runners were represented.

At the Council Meeting held on 29th January 2024 the Town Council considered a request for a grant from Swanage Town and Herston FC Ltd (STHFC Ltd) to fund the development of plans for a community sports facility. A letter setting out the grant application explained the importance of preparing detailed drawings that 'will enable all parties to share the vision and gain support from the community & engage with potential grants/funders'.

The request was made in two tranches. The first tranche of £11,000 (£13,200 inc. VAT) for the initial design work was approved and subsequently paid over. The second tranche of £22,102 (£26,522 inc. VAT) towards the design fees required to submit a planning application was approved 'subject to the supply of further information that demonstrates that the project is deliverable'. Deliverability was to be assessed taking into account the availability of funding and clarification of the legal structure of the entity that will lead on the project.

Having considered progress on the development of an investment case/business plan, likely availability of grant funding and steps towards legal incorporation of a new community-based charitable trust, the drawdown of the second tranche was agreed at the Council Meeting held on 24th June 2024 in the sum of £21,927 (£26,312.40 inc. VAT).

Nest Steps – Planning Application, Grant Funding and Public Consultation

Subsequent to the June Council meeting there have been further meetings of the Sport, Leisure and Wellbeing Working Party with representatives of the Football Club and Dorset Council. Consideration has been given to the most cost-effective way of taking forward the planning application. If the Town Council were to be registered as the applicant then the application would be subject to a 50% reduction in planning fees. These were originally estimated to be £14,422 and if the Council were to be the applicant it is understood that this would reduce by £8,736 to £5,686. Given that the Town Council does not have the technical knowledge to respond to any questions that may arise post-submission it would be best if the Football Club/Jade Aden made the submission, acting as the Council's agents. This would not affect the discounted planning fees, which can be paid by a third party on behalf of the Town Council.

Swanage & Herston Football Club Ltd have written in to request that the second tranche of funding remains as agreed on 24th June, in order to cover other project set-up costs, some of which are being claimed retrospectively, as follows:

- Legal fees for establishing the Day's Park Community Sports Facility Trust as a Charitable Incorporated Organisation £3,740 + VAT
- Fundraiser for preparing Investment Case and Funding Pipeline £3,600 +VAT

Once VAT is included this totals £8,808, a sum roughly equivalent to the reduction in planning fees.

Given the Town Council's initial stipulation that there must be significant public consultation in advance of the release of these funds and submission of the planning application it was originally envisaged that a public meeting would be held over the summer. Following further discussions at the Sport, Leisure and Wellbeing Working Party, it was agreed that this would now take the form of a public survey. This was principally run online, with some hard copies available from the Library and Information Centre. The following is a brief summary of the responses received prior to the closing date on 9th September:

- Total number of respondents: 491
- 49% already members of a sports club or association
- 52% use sports facilities outside of Swanage
- 83% would use such facilities more often if they were closer to Swanage
- 73% would use the facilities weekly
- The top five most popular facilities/activities are: fitness classes (72%), café (67%), badminton (59%), dance classes (47%) and a climbing wall (45%).

Decision required:

To confirm that the Town Council will act as the applicant in respect of the submission of the planning application for the Day's Park Community Sports Facility.

To confirm that the second tranche of grant funding will remain as agreed by Council at its meeting on 24th June 2024 with any saving from the reduction in planning fees being applied by Swanage & Herston Football Club Ltd to legal and professional fees in connection with fundraising and establishment of a CIO.

Martin Ayres Town Clerk

September 2024

Swanage Beach Kiosk, Shore Road – To consider granting landlord's consent for installation of staff toilet facility

Background

In spring 2024 the new tenants of the Swanage Beach Kiosk on the corner of Shore Road and Victoria Avenue made to contact with members of the Town Council management team to discuss initial thoughts about providing a staff toilet facility by building over the bin store at the northern (Victoria Avenue end) of the premises. Further to a site visit with the Visitor Services and Business Development Manager they were invited to 'provide the Town Council with a detailed proposal' to 'be considered by the Councillors at an appropriate Council meeting'.

On 11th August the Town Clerk was informed that a planning application had been submitted, which was considered by the Planning & Consultation Committee on 2nd September 2024. The Committee subsequently made the following representation to Dorset Council: No objection. However, the Town Council is disappointed to note that the leaseholder of the kiosk has not approached the Council as landlord for consent prior to submitting the planning application to Dorset Council. The details of this proposal will therefore be placed on the agenda of a future Council Meeting for consideration.

Subsequent to that meeting the Design and Conservation Officer has made the following comments:

SUMMARY

The application site is prominently located within the Swanage Conservation Area.

The current proposals would fail to preserve or enhance the character or appearance of the conservation area as required by the Planning (Listed Buildings and Conservation Areas Act) 1990, nor would it satisfy the expectations of sections 12 and 16 of the NPPF.

SITE DESCRIPTION/CONTEXT/SIGNIFICANCE

Swanage and its beaches are an important tourist attraction visited by 1000s of visitors and locals each year. To enhance this visitor experience considerable works have taken place over recent years to improve the appearance of Shore Road including the refurbishment of the former, somewhat dated, parade of beach huts.

The Design and Access Statement to the previous approval (ref: 6/2013/0395) makes reference to the kiosk and toilets stating 'the tripartite elevational composition is terminated by the new public toilets to the south and kiosk to the north'.

As such the application site was specifically designed to visually terminate the parade and address the new curved wall erected along Victoria Road. The circular light dome, curve of the projecting canopy and sweep of the facia further reinforce this architectural intent. The proposed extension would encroach into the existing space to the side of the kiosk, squaring off and obscuring the curve of the elevation and creating an awkward juxtaposition with the boundary wall to the pavement. As such it would be a substantial and incongruous addition to the existing modest kiosk.

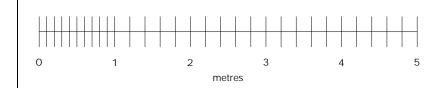

The lease prohibits any structural alterations to the premises and requires the tenant to obtain landlord's consent (not to be unreasonably withheld) prior to making any planning application. No alterations or additions to the premises can be made before a copy of the planning permission has been produced to the landlord and acknowledged by the landlord in writing as satisfactory.

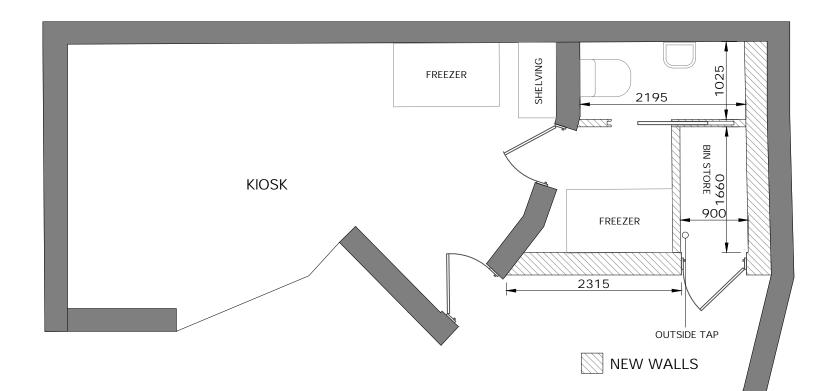

Decision required:

To consider deferral of this item pending receipt of a formal request for landlord's consent and resolution of the Design and Conservation Officer's concerns.

Martin Ayres Town Clerk

Acquisition of new fire panel at Town Hall - To approve budget

The current fire alarm panels in both the Town Hall and Annexe are in excess of 10 years old and, whilst they remain functional, it has been recommended upon inspection that they are replaced. This follows a period of circa 2-3 months where a range of issues with the fire panels have resulted in a significant uptick in the number of maintenance visits required.

It is proposed that the new replacement fire panels are fitted with a wireless digital transmitter which will permit remote monitoring of the fire systems and bring the Town Hall and Annexe in line with other Council properties.

An estimate for the supply and installation of the new fire panels has been sought from the Council's current access control and fire safety contractors. Given health and safety considerations it is proposed that these works are completed as soon as is feasible. As this sum is in excess of the building services budget for the Town Hall for 2024/5 it is proposed that a budget of up to £5,000 is approved.

There may be an opportunity for a proportion of the costs incurred in association with installation of the new fire panels in the Annexe to be reclaimed by the Council through the lease arrangements in place with Dorset Police.

Decision required

To consider approving a budget of up to £5,000 for the installation of new fire panels at the Town Hall and annexe, both panels to be fitted with a wireless digital transmitter which will permit remote monitoring of the fire system.

Gail Percival, Assets and Compliance Manager September 2024

Action for Health and Care in Purbeck – appoint a representative

Background

An email was received from the Action for Health and Care in Purbeck group, providing information regarding the group's aims and objectives, in order for Members to consider appointing a representative.

Thank you for your email.

The list below indicates the aims and objectives discussed, followed by who we would ask for representation over and above the original health (past and present) employees and volunteers already interested. Most of these are already members of Wareham or Swanage Hospital Friends Groups.

- Discuss local known developments
- To continue to review services within Purbeck
- To develop an expectation of continuous service improvement
- To collaborate with all relevant parties on any possible changes and advise on any perceived problems or difficulties
- To review action plans
- 1. The wide variety of Purbeck experience was noted and a general agreement made that together the group could provide a stronger Purbeck voice, if required, than individual groups, when Purbeck services are challenged, changed or withdrawn.
- 2. It was agreed that this should **not** be a political group
- 3. It was agreed to contact Swanage and Wareham Town Councils seeking a representative to attend the group
- 4. It was agreed to contact all Purbeck Parish Councils advising of the group and seeking representatives

Below are a few examples of things mentioned at the inaugural meeting to give your Council a flavour of discussions.

- The Swanage MIU will be closed this coming Bank Holiday, Monday and Tuesday (May), because of staff shortages across the Trust during the nurses' strike.
- Emergency housing for Dorset is provided at Herston Yards in Swanage, with 60 families currently living at the caravan park.
- New joint CEO of Dorset Healthcare/Dorset County Hospital Trusts is visiting Purbeck in June, and the new Project Director for the joint working is well known in Purbeck having worked in the area in the past.

I hope this is something to assist your Councillors in thinking of involvement but I am
sure Mike Bonfield will continue his support due to his connection with Dementia
Purbeck.

Best wishes

Chris

Decision required:

To consider appointing a representative to the Action for Health and Care in Purbeck group.

Emma Evans Democratic Services Officer

Ambulance Car – Analysis of Latest Information obtained via six-monthly FOI request

Report for Swanage Town Council Meeting 16th September 2024

A) Ambulance Car

Data from Freedom of Information Act response from the Ambulance Trust for the first half of this year, Jan – June 2024. The data relates to

- The Swanage based Ambulance Car staffing, number of call outs, and location of call outs each month
- ii) The average emergency response times for Swanage & Wareham, regardless of the vehicle attending, by category, and by month

Summary

The FOI response shows

- a reasonable rate of staffing being maintained at 73%, which is a 3% increase on the previous 6 months
- the highest rate yet of Car call outs being to Purbeck 88%. Swanage continues to have more call outs than Wareham. The percentage of Purbeck call outs that were to Swanage is significantly higher than the previous 6 months at 77%.
- All category 1 and 2 emergency response times are similar to, or better than, previously. The good news is that Swanage category 1 imminent danger of death response times were nearly at target times for the first time. Wareham category 1 times in the first half of this year were similar to their response times in the second half of last year. Category 2 risk of death or serious disability response times had improved in Wareham, while in Swanage these were similar in the first half of this year to the Swanage category 2 times in the second half of last year. Response times generally remain significantly better than in 2022 when the future of the Car was uncertain.
- the total number of call outs attended by the Ambulance Car reduced somewhat to 400, compared to 437 in the last half of 2023.

Detail

- 1) Car staffing: this was the same, at 73% staffing, to the first half of 2023, having dipped slightly to 70% over the period July-Dec 23. Staffing would have been higher, however one month, April 2024, the Car was only staffed 50% of the time, which has brought the average down. Although the Car is nominally fully staffed, staff continue to be taken off the Car to make up gaps in the double crewed Ambulance rota. However it's worth noting that the Car is staffed substantially more than it was when the future of the car was uncertain, when staffing was only 40%.
- 2) **88% of Car call outs were in Purbeck**. This is the highest percentage yet, 5% higher that the period Jul-Dec 23 (83%), and represents a continuing increase compared to earlier 6 month periods for example for the period

Jan-June 22, when just 60% of Car call outs were in Purbeck. 77% of the Purbeck call outs for Jan-July 24 were to Swanage.

- 3) Response times Jan July 24 these were much better for Swanage category 1 (imminent danger of death calls) and represent the closest to the target times that they have been since we have been collecting these statistics. Swanage category 2 (risk of death or serious disability) times have also improved, although they remain some way from the target response time of 20 minutes. Wareham response times for cat 1 remained similar to those for the last 6 months of 2023, while cat 2 response times have improved. It is worth noting that small time improvements at cat 1 level may be crucial for the patient's chance of survival.
 - a. Category 1, imminent danger of death the target response time to maximise the chance to save life is 7 minutes. For Swanage, the 6 months Jan-July 24 had an average category 1 response time of 7 mins 42 seconds. The cat 1 response times over these 6 months were between 5 -10 minutes, compared to 7 13 minutes in the second half of last year. For Wareham these 6 months had an average category 1 response time of 10 mins 56 seconds. The Wareham cat 1 response times over these 6 months were between 10 13 minutes, similar to the Wareham times for the previous 12 months. Going back to January June 22, cat 1 response times for Swanage were 12 26 minutes (for example they were 26 minutes in May 22, when the Car was only staffed 33% of the time).
 - b. Category 2, risk of death or serious disability the target response time here is 20 minutes. Swanage monthly average times for the period Jan July 24 were similar to those for the same months last year at 34 43 minutes, and significantly better than the last 6 months of 2023 when they were 41 52 minutes. For Wareham, monthly average times for the first six months of 2024 had improved compared to the last six months of 2023. For Jan Jul 2024 they were between 25 34 minutes, where for the last 6 months of 2023 they were 29 40 minutes).

If we compare category 2 average times to those back in January - June 22, the response times for Swanage and Wareham are significantly better now. In the first 6 months of 2022, when the Car was very poorly staffed, the average cat 2 times were over an hour for 4 months out of the 6.

4) Ambulance Car Call Outs have increased

The number of call outs attended by the Ambulance Car Jan - July 24 dipped a little from 437 call outs in the last 6 months of last year to 400 call outs in the first six months of this year. However, this is still a significantly higher number of call outs than in the first half of 2023, when the number of call outs dropped to just 314.

B) Correspondence with NHS Dorset asking questions about access for Swanage and Purbeck patients to reconfigured health services

In recent communication with NHS Dorset there is some positive movement. There is an intention to reinstate Chemotherapy outpatients at Wareham (but no date), there is a statement that anyone walking into Swanage MIU without an appointment will be assessed, and there is an offer from NHS Dorset and the Primary Care Network to meet, although it is not clear to what extent the NHS Dorset agenda overlaps with our outstanding questions.

However in a number of areas, and despite ongoing correspondence, some key matters remain unsatisfactory or unclear, including:

- there are no plans to put back Swanage Hospital Minor Injuries Unit (MIU) hours to 8am-8pm
- Swanage Hospital generally has a closed door and a sign blocking the entrance telling people to ring 111, whereupon many people are told that Swanage Hospital is not on the drop down menu. This has inevitably reduced take up of MIU care here.
- with regard to the request to reinstate Rheumatology at Swanage, it now appears that there is no intention to do this.
- there remains no clear picture of the role of Swanage Hospital going forward
- there remains no mitigation for local people facing longer emergency journey times
- there remains no clarity re what the promised enhanced local services are

Cllr Debby Monkhouse
