Internal Auditor note on test N - Publication:

I checked to see that the Council complied with the public rights and notice of conclusion publication requirements. I found that the public rights notice and ss1&2 of the AGAR were published before the commencement of the public rights period on 03/06/24, and that they were still in place after the end of that period. I found that the Council was unable to publish the notice of conclusion on or before 30/09/24 as the external auditor did not issue their final report until 24/02/25. As a result I have responded 'no' to this test.
